CHILD PROTECTION DECLARATION FORM

To be completed by all adult members including social members, students and intermediates

Dear Applicant,

In order to safeguard the Junior Members within this club and to comply with a directive from the L.T.A., it has been agreed that the following declaration shall be affixed to all applications.

As you are aware membership to this club entails substantial access to children and/or young people and is therefore, under this authority exempt from the rehabilitation of Offenders Act 1974. You are therefore required to declare any pending prosecutions or convictions which relate in any way to children or young persons that you may have, even if they would otherwise be regarded as "spent" under this authority, and any cautions or bind overs. The information that you provide will be treated in confidence and will only be taken into account where the exemption applies.

The disclosure of criminal matters relating to children and young persons will not automatically debar you from membership unless the committee considers that the matter renders you unsuitable for membership.

We should be grateful if you would disclose any such information on return of application indicating any of the above. Failure to disclose any such criminal conviction may disqualify you from our membership and, if accepted may render you liable to immediate dismissal without notice.

I/We Declare That I/We Have No Pending Prosecutions Or Convictions Which Relate To Child Abuse (one signature please per adult).
