

## **Adult Squad Training Rota for Team Players**

These are advanced technique, drills and tactics sessions for players who have played a match in an adult team. However, I'll be asking the players what they mainly want to work on and tailoring each session to their needs. Advanced video analysis will be used in some sessions. The cost per session will be £6.50 per player. I am hoping to set up a squad rota for ladies and men.

If you would like to take part in a squad please complete the reply slip below and send it to 'Mr. J. Hall, 2 Park Crescent, Enfield, Middx. EN2 6HS'. Alternatively just ring me on 020-8482-0518 or E-Mail to JohnH811@aol.com, and let me know your availability. You can get your own squad together if you like. Don't worry if you can't get your own squad – just let me know you are interested and I'll try to find a squad for you. The number of squads each player will be invited to depends on how many players apply.

In order to qualify for these squads players must have played a representative match for the club in either Herts., AEGON or Middx. League. Students and juniors with senior status may also apply.

Hope to hear from you soon!

John Hall (Club Coach)
