Conditions of Entry

1. The Tournament will be conducted under L.T.A rules and regulations. Ranking points will not be available (as not an L.T.A. sanctioned event), but all results will be sent in to the L.T.A. to count for ratings purposes.
2. Tournament format - the aim is to run the event as a progressive draw starting with the lowest ratings, with the higher rated players starting later (like the old Junior Series tournaments). This will ensure more competitive and fewer one-sided matches. There will be consolation draws for 1st round losers. Other formats, including round-robins, may be run where progressive draws are not possible.
3. The referee's decision in all matters relating to this tournament is final.
4. All competitors entering the tournament must agree, as a condition of their entry, that no claims are brought against the organisers with respect to any injury, however caused, or any losses incurred while participating in this event.
5. Doubles events may be held and sign up sheets will be displayed at the tournament.
6. Competitors will be informed of their first match time by e-mail or text. If you would prefer to be informed via post please enclose a stamped addressed envelope. If you have not received notification of the time of your first match by Saturday 23rd July please ring John Hall on 020 8482-0518 or 07713951489.
7. For any further questions regarding this new tournament please contact John Hall on one of the above numbers or by e-mail to JohnH811@aol.com.
